

EU-Brazil: Country project examples

#GlobalGateway #TeamEurope

July 2023

PRIORITY 2023

CLIMATE & ENERGY

Team Europe-Brazil Tropical Forests Initiative to prevent deforestation and to promote sustainable bioeconomy and traceability of supply chains. Implementation of the Amazonia+ programme for a sustainable use of forest goods and services.

CLIMATE & ENERGY

Team Europe Initiative : financing of projects on renewable energy and energy efficiency and promotion of green hydrogen. Co-financing solar and wind-power infrastructure.

TRANSPORT

Construction and operation of Port of Santos infrastructure.

CLIMATE & ENERGY

Green low-carbon technologies for SMEs and companies.

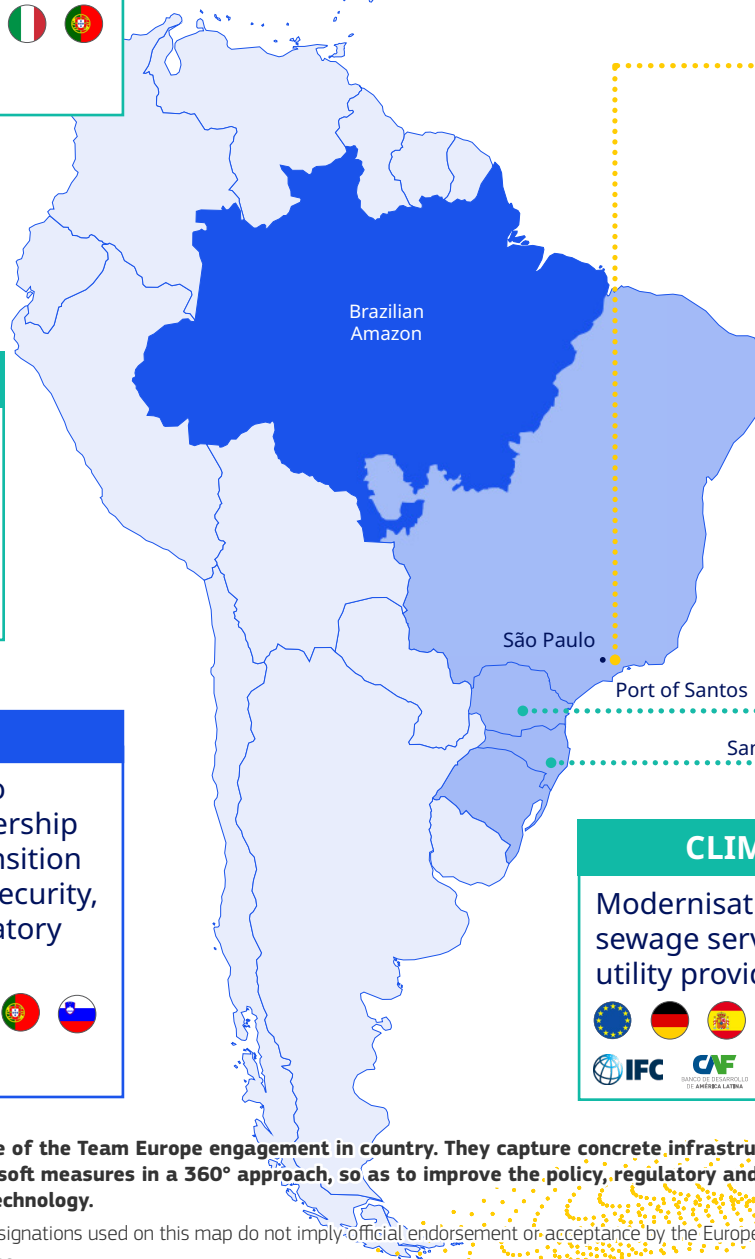

DIGITAL

Team Europe Initiative to promote strategic partnership with Brazil on digital transition agenda including cybersecurity, e-governance and regulatory framework.

CLIMATE & ENERGY

Modernisation of the water and sewage services of the public water utility providers (CASAN).

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
